SPECIAL PROVISIONS**SCOPE OF WORK**

The furnishing and delivering of Fuel and Petroleum Products to various State of Hawaii and County of Maui departments and agencies on the island of Maui shall be in accordance with these Special Provisions, Specifications, and the General Terms and Conditions dated September 1, 1995, included by reference and made a part hereof. Copies of the General Terms and Conditions are available at the State Procurement Office, 1151 Punchbowl Street, Room 416, Honolulu, Hawaii 96813.

TERM OF CONTRACT

Term of contract shall be for the 12-month period beginning July 1, 1997 and ending June 30, 1998 and may be extended by mutual agreement for a period not to exceed three (3) months.

STATE'S COMMITMENT

In return for prices submitted, State agencies of the Executive Branch of the State of Hawaii, the University of Hawaii, the Department of Education, and the County of Maui will purchase all of their requirements of the products listed herein from the successful low bidder. However, if the quality level or product design of listed items are not suited to an agency's purpose, an exception to this commitment may be granted to such agency by the Chief Procurement Officer of the State Procurement Office.

In the situation where contract prices (unit price per gallon plus all applicable taxes) exceed those offered at the retail outlet of the successful bidder, the State and County shall have the option to purchase their gasoline and diesel fuel requirements at the successful bidder's retail outlets. If the successful bidder does not have any retail outlets on that island, the State and County shall have the option to purchase their gasoline and diesel fuel requirements from any retail outlet provided the prices (unit price per gallon plus all applicable taxes) are lower than those offered by the successful bidder on this contract.

MULTIPLE OR ALTERNATE BIDS

An offeror may submit only one bid in response to a solicitation. If an offeror submits more than one bid in response to a solicitation, then all such bids will be rejected.

Similarly, an offeror may submit only one bid for each line item (if any) of a solicitation. If an offeror submits more than one bid per line item, then all bids for that line item will be rejected.

BID PREPARATION

Offer Form, Page OF-1. Offeror is requested to submit its offer using offeror's exact legal name as registered with the Department of Commerce and Consumer Affairs, if applicable; and to indicate exact legal name in the appropriate space on Offer Form, page OF-1. Failure to do so

may delay proper execution of the contract.

Offeror's authorized signature shall be an original signature in ink. If Offer Form, page OF-1, is unsigned or the affixed signature is a facsimile or a photocopy, the offer shall be automatically rejected unless accompanied by other material, containing an original signature indicating the offeror's intent to be bound.

Bid Price. Bid Prices shall be based on delivery to destination and shall include all costs incurred except the Federal Excise Tax, the State of Hawaii and County fuel oil taxes, and the Hawaii General Excise Tax, currently 4%. The amount of General Excise Tax, and applicable State and County fuel oil taxes shall be added as separate line items when invoicing. The Hawaii General Excise Tax shall not exceed the current 4% rate, and shall be computed on the Base Unit Bid Price only, excluding the Federal Excise Tax, State of Hawaii and County fuel oil taxes. The State of Hawaii and the County of Maui are exempt from the Federal Excise Tax on gasoline and diesel fuel, and the Contractor shall submit a Federal Excise Tax exemption certificate for execution by the State and County prior to award of this Invitation for Bids.

BIDDERS MUST EXEMPT THE STATE AND COUNTY FROM FEDERAL EXCISE TAXES. ANY REFUNDS DUE SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR.

Tax Clearance. An original or certified copy of a tax clearance issued by the Hawaii State Department of Taxation (DOTAX) and the Internal Revenue Services (IRS) must be submitted with your sealed offer by the due date and time. The tax clearance shall be obtained on the attached two-part **Tax Clearance Application (Form A-6)** that combines DOTAX and IRS tax clearances.

The application may be mailed in or walked in to either the DOTAX or the IRS. The addresses for DOTAX and IRS district offices are listed on Form A-6. There is limited walk-in services at IRS Maui and Hawaii offices, and none on Kauai.

The DOTAX and IRS encourage the use of their mail-in service, in lieu of walk-in service. We recommend that you mail the application to DOTAX where it will be processed and forwarded to the IRS. The process should be completed within twenty-one (21) calendar days. Use of the walk-in services may result in waiting in line at both agencies.

For your information, the tax clearance is valid for forty-five (45) days. If the DOTAX approves a tax clearance certificate on one date and the IRS approves it on another date, the 45-day period will begin with the later date. For example:

DOTAX approval stamp date:	7/1/96
IRS approval stamp date:	7/5/96
Tax Clearance valid:	7/5/96 to 8/18/96

The tax clearance submitted with your sealed offer must be valid on the solicitation legal ad date or any date thereafter up to the offer due date. A valid tax clearance received with your offer will remain valid for the contract award.

Since this a new process, however, and a mail-in application is encouraged, we will accept for the purpose of this solicitation a completed SPO Form Temp B, "Certification for Tax Clearance" in place of the DOTAX Form A-6, if you are unable to obtain a tax clearance

by mail in time to include it with your sealed offer. See attached pink NOTICE for the SPO Form TEMP B.

Taxable Transaction. Work to be done under this contract is a taxable transaction and bidder receiving award will be required to pay the State of Hawaii General Excise Tax, currently 4%.

Brochures and/or Specifications Literature. At time of bid submittal, offerors shall submit current brochures, material safety data sheets for each product and/or specifications literature, excluding *Group I Gasoline and Diesel Fuel*, verifying that the product offered conforms to the requirements of this contract.

PRICE ADJUSTMENT

The Base Unit Bid Price per gallon for gasoline and diesel fuel shall be increased or decreased no more than once a month provided **all** of the following conditions are met:

- a. The Contractor shall provide documentation substantiating the monthly average dealer price per gallon based on the Lundberg Survey, Inc. DTW Wholesale Price Survey for Honolulu, Hawaii for the 30-day period immediately preceding the bid opening date.
- b. For each monthly billing cycle, the Contractor shall compute and document the average monthly Lundberg DTW dealer price per gallon for the fuel purchased by the State or County and submit such information to each ordering agency.
- c. The Base Unit Bid Price per gallon billed to the State shall be adjusted by the percentage of increase or decrease of the Lundberg DTW average monthly dealer price by comparing the price at the time of bid submittal with the price during the billing period. (For example, a 10% increase in the Lundberg index will result in a 10% increase in the Base Unit Bid Price per gallon).
- d. The 4% State General Excise Tax shall be computed on the adjusted Base Unit Bid Price per gallon only, excluding the Federal Excise Tax and the State and County fuel oil taxes.
- e. Any changes to the State and County fuel oil taxes subsequent to the bid opening date will be allowed after notification. Contractor shall notify the State and County of such changes within ten (10) days of any such changes.
- f. No other increases will be allowed.

Contractor shall submit price any adjustment information to the SPO and all ordering agencies listed herein.

QUANTITIES

Quantities listed herein are estimates for the 12-month period specified. No guarantee to purchase the exact amount listed is intended or implied.

The State and County reserves the right to purchase larger or smaller quantities at the prices quoted in this proposal.

STANDARDS

Title 4 Department of Agriculture, Subtitle 7 Division of Measurement Standards, Chapter 86, Section 4-86-10, Specifications for petroleum products shall apply to all products listed herein.

The sale, distribution and transportation of petroleum products specified herein shall comply with all Federal, State and County laws, ordinances, rules and regulations.

METHOD OF AWARD

Award(s), if any, will be made to the responsive and responsible bidder submitting the lowest total estimated bid price (Total Sum Bid Price for Group I) for each designated group or individual item number. Gasoline and Diesel fuel requirements will be awarded separately. Bidder must bid on all items and/or sub-items listed within a group to qualify for group award. Bidder must bid on all items and/or sub-items listed within an item number to qualify for item award.

EXECUTION OF CONTRACT

Formal written contracts and performance and payment bonds (Section 3.3 and 3.4 of the General Terms and Conditions) will NOT be required for awards made in response to this IFB.

Successful offeror will receive a Notice of Award to which will be attached a State Procurement Office price list showing the item(s) which the respective offeror has been awarded. This method of award does not waive compliance with Specifications, Special Provisions, and the General Terms and Conditions of the IFB.

ORDERING

The supplies required from time to time during the period of this contract by the several departments, agencies, boards and commissions of the State and County shall be ordered in writing from the Contractor on Purchase Order forms supplied for that purpose by the State and County.

DELIVERIES

Bulk deliveries (storage tanks) shall be made within two working days following receipt of purchase order. Contractor may coordinate a delivery schedule with each user agency, that is within the specified delivery days and satisfactory to both user and Contractor.

Deliveries other than bulk deliveries on orders of \$25.00 or more shall be completed within 7 working days after receipt of purchase order. Orders under \$25.00 shall be considered "will call" orders and made available within 3 hours notice to the Contractor and delivered only at the option of the Contractor according to their normal delivery schedule.

Contractor will be required to deliver all items outstanding at the end of contract on purchase orders received during the term of contract.

DEPOSITS ON DRUMS/BARRELS

All returnable drum/barrels in which products are delivered shall remain the property of the

Contractor. The State and County shall pay the prevailing deposit charge for each drum or barrel. Such deposit shall be refunded or credited to the State, without interest, if the drum or barrel is returned to the Contractor in good useable condition. The Contractor shall be required to pick up its drum or barrel delivered under this contract and refund any deposit due to the agency after the end of the contract period.

INVOICING

Contractor shall forward an original and three copies of the invoice directly to the ordering agencies. The invoices shall indicate the adjusted Base Unit Bid Price for gasoline and diesel fuel, when applicable, in accordance with the PRICE ADJUSTMENT provisions of this IFB. The amount of applicable State General Excise Tax, and State and County fuel oil taxes shall be shown separately and added to the Base Unit Bid Prices on the invoice.

PAYMENT

Section 103-10, Hawaii Revised Statutes, provides that the State and County shall have thirty (30) calendar days after receipt of invoice or satisfactory completion of contract to make payment. For this reason, the State will reject any bid submitted with a condition requiring payment within a shorter period. Further, the State will reject any bid submitted with a condition requiring interest payments greater than that allowed by Section 103-10, HRS, as amended.

The State will not recognize any requirement established by the Contractor and communicated to the State after award of the contract, which requires payment within a shorter period or interest payment not in conformance with statute.

SALES REPORT

Within thirty (30) days after the end of the contract period, the Contractor shall submit a written report to the State Procurement Office, indicating the total quantity purchased by State agencies for each item awarded. Item numbers and item descriptions shall be listed in order as it appears in the IFB. Additional reports may be required. If requested, the Contractor shall provide a sales report within thirty (30) days after request.

FAILURE TO DELIVER

Contractor shall be obliged to deliver products awarded in this contract in accordance with terms and conditions herein. If a Contractor is unable to deliver products under contract, it shall be the Contractor's responsibility to obtain prior approval of the ordering agency to deliver an acceptable substitute at the contract price quoted. It shall be the Contractor's responsibility to obtain such substitute. In the event a Contractor consistently needs to substitute or refuses to substitute products, the State reserves the right to terminate the contract and/or initiate the debarment process pursuant to chapter 3-126, Legal and Contractual Remedies, Hawaii Administrative Rules.

ADDITIONS AND EXCEPTIONS TO THE GENERAL TERMS & CONDITIONS

Approvals. Any agreement arising out of this offer is subject to the approval of the Department of the Attorney General as to form, and to all further approvals, including the approval of the

Governor, required by statute, regulation, rule, order, or other directive.

Cancellation of Solicitations and Rejection of Offers. The solicitation may be cancelled or the offers may be rejected, in whole or in part, when in the best interest of the purchasing agency, as provided in sections 3-122-95 through 3-122-97, Hawaii Administrative Rules.

General Terms & Conditions Not Applicable. Sections 2.11 and 2.14 of the General Terms & Conditions, which apply specifically to the Request for Proposals method of source selection, are not applicable to Invitations for Bids. Also sections 2.10 and 2.13, which apply specifically to the Invitation for Bids method of source selection, are not applicable to Requests for Proposals.

Records Retention. The Contractor and any subcontractors shall maintain the books and records that relate to this Agreement, and any cost or pricing data, for three (3) years from the date of final payment under the Agreement.
